Thank You

- I want to start by saying thank you to each and every single one of you for joining me for the 2022 Halter Showdown Series! I hope you all had as much fun as I did. It was wonderful and rewarding watching all of you grow and gain confidence in your showing. And for joining the Hartwig Farms Family! So many new friends and connections have been made this year and I am thankful that you all could make this possible. I hope you join us for more showing and fun in the 2023 season!
