Thank You

- I want to start by saying thank you to each and every single one of you for joining me for the 2022 Classical Series! I hope you all had as much fun as I did. It was wonderful and rewarding watching all of you grow and gain confidence in your showing. And for joining the Hartwig Farms Family! So many new friends and connections have been made this year and I am thankful that you all could make this possible. I hope you join us for more showing and fun in the 2023 season! It has been wonderful getting to know all of you and your equine partners. I have made a lot of friends that are dear to me and its all because of you! I want to say a huge Congratulations to everyone and all of the Equines showing off their beauty and Skills.

You are part of something Bigger

- I wanted to mention that even though you are competing virtually, you are part of a global show family now! Hartwig Farms has the pleasure of welcoming the USA, Canada, UK, Australia, and Germany to our show family. Our shared passion has reached several parts of the world. Not only are you part of something bigger, you helped Hartwig Farms grow into a family friendly show community that will continue to bring connections and memories to everyone for years to come. Thank you for being part of this beautiful family and community. We couldn't have done it without you.
